

Faculty Position, Associate Professor or Lecturer
Department of Computational Intelligence and Systems Science
Interdisciplinary Graduate School of Science and Engineering
Tokyo Institute of Technology

1. Position: an Associate Professor or a Lecturer
2. Department: Computational Intelligence and Systems Science
3. Research field: Computational Intelligence and Systems Science
4. Job requirement: Education and research on computational intelligence and systems science, supervision for doctoral and master's courses, classes on graduate and undergraduate schools, and administration of the department.
5. Applicants: Ph.D. or Doctoral degree is required.
6. Period of employment: Until the retiring date (65 old). The retiring date is defined by the first 31st March when or after one reaches the retirement age of 65. If a candidate is employed as a lecturer, an examination for promotion to an associate professor will be conducted after about three years.
7. Arrival at the post: October 1st, 2012 (or as soon as possible after this day)
8. Send the followings:
 - (1) Curriculum vitae with photograph, e-mail and postal addresses, including education records, professional career records, activity records in academic society, and prizes or awards.
 - (2) A published paper list (Specify refereed (peer-reviewed) or non-refereed papers).
 - (3) Reprints or copies of several significant articles (no more than five articles).
 - (4) Brief statement (one page in A4 sheet) of research and teaching interests, including appealing points and perspectives for future work.
 - (5) List of external funds for research or education.
 - (6) Three reference persons (name, affiliation, and contact address).
9. Deadline: April 30, 2012
10. Mailing address for the application:

Secretary of Department of Computational Intelligence and Systems Science
Interdisciplinary Graduate School of Science and Technology
Tokyo Institute of Technology
4259 Nagatsuta, Midori-ku, Yokohama, 226-8502, Japan, Mailbox G3-54
11. Inquiries:

Sumio Watanabe (E-mail) swatanab@dis.titech.ac.jp, (Phone) +81-45-924-5648
12. Notice:

On the postal mail, "Application documents for faculty position" must be written by red characters on the front page of the envelope. Applicants should send the application documents by postal mail. We do not accept an application by e-mail or other internet sending. The documents are not returned.
